New Orleans, Dec. 21.-Form players were jubilant to-day, five favorites landing the money. The fifth race, a seven furlong event, was won by Glamor, at 6 to 5. She was never bothered at any stage of the race. Missouri Lad, the Orderly second choice, put up a game race, however. The steeplechase, over the full course, resulted in an easy victory for Creoline, the 8-to-5 favorite, who won by half a length. Creel was supposed to have the second, a mile selling event, at his mercy. The winner, however, turned up in Marvin Neal, which was backed from 25 to 1 down to 16 to 1 at post time. Marvin Neal and Ladsarion practically had the race between them for the first seven furlongs, where the former drew away, and won handily.

J. W. MONTGOMERY CAPTAIN

He and Former Captain Sullivan Will Form a Nucleus for a Relay Team-The Blue and Gray to Be Represented in All the Indoor Meets in This Section.

Joseph W. Montgomery, '08, college, has been elected captain of the George town field and track team, and he has planned to begin the regular training of the candidates for the team imme diately after the holidays.

The coming chmpaign on the indoo track promises to be one of the hardest ever attempted by a Blue and Gray team, as arrangements have already been made to participate in half a dozen meets, and it is expected that at least two mor dates will be added to the schedule. At the joint meet in Baltimore, on January 12, several men will be sent to take part in the handicap races, but no attempt will be made to get a relay team in shape for these games. The intercollegiate meet at Richmond, on January 26, will also enlist entries from Georgetown, and at Norfolk a week later it is planned to again be represented. The initial appearance of the 'varsity relay four will probably be made at the Boston Athletic Association tourney, about the middle of February, and at New York, on March 2, Georgetown will send he strongest team for a match race with
